Arkansas Heart Hospital announces new Cardiologist for El Dorado and Union County

Enhancing cardiac care for South Arkansas

LITTLE ROCK, Ark. (April 8, 2019) — Arkansas Heart Hospital is pleased to announce the addition of Dr. Anthanasios Stoyioglou to their El Dorado Clinic. Dr. Stoyioglou joins Angela Simmons, APRN and the rest of the El Dorado team this month.

“We are pleased Dr. Stoyioglou is not only joining our team, but additionally, is an integral part of the alliance we formed with the Medical Center of South Arkansas,” said President Drew Jackson “his experience and knowledge reaffirms our commitment to providing extraordinary cardiac care to the residents of El Dorado and all of south Arkansas.”

Before joining Arkansas Heart Hospital, Dr. Stoyioglou served as an Interventional Cardiologist at White River Medical Center in Batesville. His experience spans both locally, nationally and internationally as he started his career as a primary care physician in the Greek Navy. Patients will be able to see Dr. Stoyioglou beginning Monday, April 15. For more information, please call the Arkansas Heart Hospital El Dorado Clinic at 870-862-8700.

About Arkansas Heart Hospital
Arkansas Heart Hospital is a nationally recognized and award-winning hospital dedicated to the prevention, diagnosis and treatment of cardiovascular disease and related diseases; also focusing on bariatrics, endocrinology and peripheral artery disease. Awarded a Five-Star Rating by the Centers for Medicare and Medicaid Services (CMS), based on seven criteria. Arkansas Heart is one of two Arkansas hospitals and one of 293 to receive this rating. Arkansas Heart offers advanced technology teamed with Arkansas’ leading cardiologists and cardiovascular surgeons. The hospital operates 30 clinics statewide, nine catheterization labs, three heart-operating suites and a 24-hour Heart Emergency Center. Arkansas Heart Hospital is a training center for physicians from all over the world.
