

MEET YOUR PHYSICIAN

MARK HARDIN MD **CARDIOTHORACIC SURGERY**

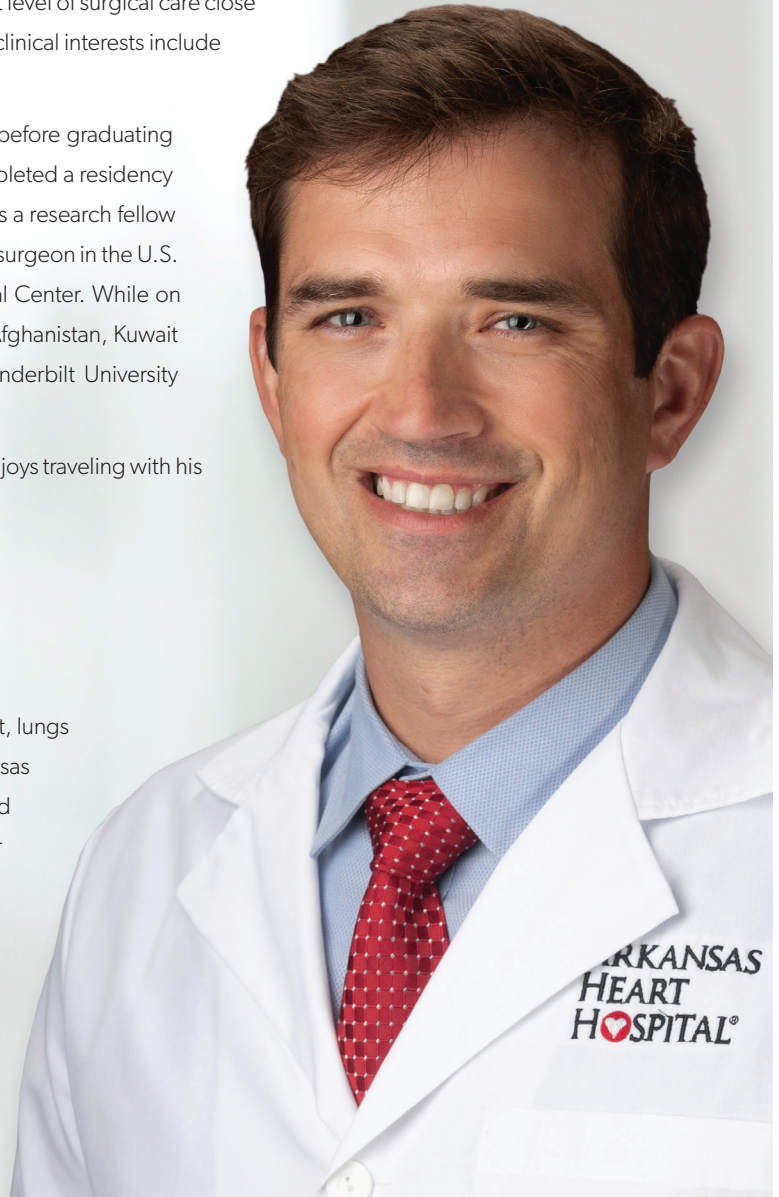

Dr. Hardin is a Little Rock native, passionate about bringing the highest level of surgical care close to home. Described by patients as thorough and compassionate, his clinical interests include coronary bypass and structural heart disease.

He earned a degree in business economics from Wheaton College before graduating from the University of Arkansas for Medical Sciences. Dr. Hardin completed a residency in general surgery at Brooke Army Medical Center, including a year as a research fellow at the U.S. Army Institute of Surgical Research. He served as a general surgeon in the U.S. Army at Irwin Army Community Hospital and Madigan Army Medical Center. While on active duty, Dr. Hardin served as part of a Forward Surgical Team to Afghanistan, Kuwait and Syria. He completed a cardiothoracic surgery residency at Vanderbilt University Medical Center and is board certified in general surgery.

Dr. Hardin is married with three children. In his free time, Dr. Hardin enjoys traveling with his family and watching his kids compete in sports.

DR. HARDIN SPECIALIZES IN CARDIOTHORACIC SURGERY.

Cardiothoracic surgeons specialize in surgical procedures of the heart, lungs and other chest organs to treat heart failure and other diseases. Arkansas Heart Hospital's cardiovascular & thoracic surgery department is world renowned with 75 years of combined state-of-the-art experience. Our experts perform all kinds of procedures, from traditional surgeries to new, groundbreaking therapies.
