MICHAEL T. NOLEN MD **CARDIOTHORACIC SURGERY**

Serving as director of cardiovascular surgery, Dr. Michael Nolen leads Arkansas Heart Hospital in advancing surgical techniques for the highest level of patient care. His interests include minimally invasive surgery, coronary bypass and valve surgery, aortic aneurysm repairs, and peripheral vascular surgery.

Dr. Nolen received a Bachelor of Science degree in chemistry from Arkansas Tech University before completing his medical degree and general surgery internship and residency at the University of Arkansas for Medical Sciences, respectively. He then completed a cardiovascular and thoracic fellowship at the Texas Heart Institute in Houston, under the direction of Dr. Denton A. Cooley. He is certified by the American Board of Thoracic Surgery and the American Board of Surgery.

DR. NOLEN SPECIALIZES IN CARDIOTHORACIC SURGERY.

Cardiothoracic surgeons specialize in surgical procedures of the heart, lungs and other chest organs to treat heart failure and other diseases. Arkansas Heart Hospital's cardiovascular & thoracic surgery department is world renowned with 75 years of combined state-of-the-art experience. Our experts perform all kinds of procedures, from traditional surgeries to new, groundbreaking therapies.
