

# MEET YOUR PHYSICIAN

## **PAULO RIBEIRO MD, PHD, FACC, FESC** **INTERVENTIONAL CARDIOLOGY**

Dr. Paulo Ribeiro, who is board certified in cardiology, was most recently a professor of medicine and director of the cardiology fellowship program at Loma Linda University Medical Center in California. He received his medical degree from Universidade do Porto in Portugal and his Ph.D. from Universidade Nova De Lisboa. He completed his internal medicine residency and fellowship in cardiology at the Royal Postgraduate Medical School at Hammersmith Hospital in London. He is a fellow in the American College of Cardiology and the European Society of Cardiology and has published 130 manuscripts and 34 papers in peer-reviewed cardiology journals. In addition, Dr. Ribeiro has published seven book chapters, including one in Dr. Eric Topol's "Textbook of Interventional Cardiology". He has been a reviewer for the Journal of the American College of Cardiology, British Heart Journal, American Journal of Cardiology and European Heart Journal.

### **DR. RIBEIRO SPECIALIZES IN INTERVENTIONAL CARDIOLOGY.**

Interventional cardiologists treat coronary artery disease, heart valve disorders, congenital heart disease and more through nonsurgical, catheter-based procedures and specialized imaging techniques. Arkansas Heart Hospital's eight catheterization labs feature advanced equipment, known throughout the healthcare industry for outstanding image quality and low x-ray radiation dose to both the patient and staff. The hospital is a globally recognized cardiac training center.
