## **SCOTT RYAN MD** **VASCULAR SURGERY**

Dr. Scott Ryan is a vascular surgeon caring for patients with all forms of vascular disease. Dr. Ryan graduated from Baylor University with degrees in business and economics and minors in biology and chemistry. He then attended medical school at the University of Arkansas for Medical Sciences. Dr. Ryan completed his general surgery residency at Virginia Tech Carilion School of Medicine, where he won both the Junior Surgical Resident Award and Senior Surgical Resident Award. He went on to finish his vascular surgery fellowship at the University of Texas – Houston. Following fellowship, he founded Arkansas Vascular Surgery, PLLC.

As a fellowship-trained vascular surgeon, Dr. Ryan treats all conditions associated with the peripheral vascular system using medical, traditional open surgical and minimally invasive endovascular therapies. His highest priority is always providing excellent, individualized care for his patients.

Dr. Ryan enjoys hiking, fishing, kayaking, and spending time with his wife and four children in his spare time.
