J.J. TUCKER MD BARIATRIC & GENERAL SURGERY

James "JJ" Tucker is a native Arkansan with a deep love for the community and patient care. Described as respectful and understanding by his patients, Dr. Tucker is focused on providing extraordinary care and support to help patients lose weight and improve their overall health. Dr. Tucker specializes in bariatric and metabolic surgery, general surgery, as well as advanced laparoscopic and endoscopic surgery.

After receiving his undergraduate degree from the University of Arkansas, he attended medical school at the American University of Caribbean then completed his residency in general surgery in Pennsylvania. Dr. Tucker completed a fellowship in Bariatrics, Robotics and Minimally Invasive Surgery in Baton Rouge, Louisiana. He is board certified by the American Board of Surgery and a member of the American College of Surgeons and American Society of Metabolic and Bariatric Surgeons.

He, his wife and two children enjoy golfing, biking, hunting and spending time at the lake with family and friends. Most importantly, he loves giving back to the community that has given so much to him.

DR. TUCKER SPECIALIZES IN BARIATRIC & GENERAL SURGERY.

At the Bariatric and Metabolic Institute at Arkansas Heart Hospital, our primary focus is to help you reach your weight goals and regain your health. Our team of professionals strive to make permanent weight loss a reality through personalized attention and innovative surgical options.
