

Your NEW patient portal is here!

All of your clinic and hospital information, now all in one place!

Why use the portal?

All of the information you need is right at your fingertips. Plus, our clinics and hospitals now share ONE portal with a single login – making it easier for you to manage your health.

Get instant access to your:

- Appointments
- Medications
- Provider messaging
- And more

How to register

Starting April 14, ALL patients will be registered for the new portal at check-in. There are two ways to access your portal:

Visit
my.arheart.com
